

**Department of Agricultural Statistics**  
**College of Agriculture**  
**Junagadh Agricultural University, Junagadh**

Other Publication viz Books, Book chapter, Practical Manuals, Bulletins etc

<b>Sr. No.</b>	<b>Details of Publication</b>
1.	Prajapati, A.P., Guided by Upadhyay, S.M. (2016). Practical Manual of Introduction to computer Application (Ag.Stat.1.1). Page: 1-128.
2.	Shitap, M.S., Patel, D.V. and Rankja, N. J., Guided by Upadhyay, S.M. (2018). Practical Manual of Elementary Statistics and Computer Application (SSC 2.4). Page: 1-149.
3.	Prajapati, A.P., Guided by Upadhyay, S.M. (2018). Practical Manual of Agricultural Informatics (Ag.Stat.1.1). Page: 1-190.
4.	Shitap, M.S., Patel, D.V. and Rankja, N. J., Guided by Upadhyay, S.M. (2019). Practical Manual of Statistical Methods (Ag. Stat.2.2). Page: 1-146.
5.	Shitap, M.S., Patel, D.V. and Sabhaya, Ankit, Guided by Upadhyay, S.M. (2020). Training Manual of Applied Mathematics for Agricultutal Decision Making (Five-day special skill development training programme). Page: 1 -99.
6.	Prajapati, A.P. (2021). Second updated edition of Practical Manual of Agricultural Informatics (Ag.Stat.1.1). Page: 1-190.
7.	Prajapati, A. P.; Patel, D.J. (2021). Practical Manual of Information & Communication Technology (SSC 1.1). Page: 1-142
8.	Prajapati, A. P. (2021). Training Manual on "Application of Microsoft Excel & Basic Programmes for Descriptive Statistics, Data Analysis & Data visualization in Agriculture". Oct-21. Page: 1-55
9.	Shitap, M.S. and Patel, D.V. (2023). MCQs for ICAR AIEEA in statistical sciences prepared for the training on "TIPS and TRICKS to succeed in ICAR AIEEA (PG) for Statistical Sciences". March-23.
10.	Prajapati, A.P. (2024). Third updated edition of Practical Manual of Agricultural Informatics (Ag.Stat.1.1 and Ag.Stat 7.3). Page: 1-190.
11.	Popat, R., & Banakara, K. (2020). Doebioresearch: analysis of design of experiments for biological research. <i>R package version 0.1</i> .
12.	Popat, R., Patel, R., & Parmar, D. (2020). Variability: genetic variability analysis for plant breeding research. <i>R package version 0.1</i> . 0, 3, 144-151.
